

The Regina Mandolin Orchestra was officially organized in 1988 with 10 members and one mandolin student.

As we approach the RMO's 25th Anniversary, the orchestra has grown to 30 members and our teaching program regularly serves 30-plus students.

The unique sound of the RMO is based on the plucked strings of the mandolin family of instruments. This rich sound is supplemented by the flute, guitar, violin, bass and sometimes percussion.

The RMO has performed at many functions across the province. Some notable appearances have been at: the Saskatchewan Order of Merit Awards Ceremony; Opening of the Legislature; Cabinet Minister's Formal Receptions; Cathedral Village Arts Festival; the Saskatchewan Organization for Heritage Languages Conference; Moose Jaw Folk Festival; Fort Qu'Appelle Mid-Summer Arts Festival; Mid-Winter Celidh; The Irish Pavilion at Mosaic in Regina; Multicultural Council concerts and performances in several communities around the province. Concerts have been recorded by Access Communications for cable TV broadcasting. The RMO has also recorded several CDs.

The Mandolin Family of Instruments

The mandolin family of instruments includes the Mandolin, Octave Mandolin, Mandola, Mandocello and Mandobass.

The **Mandola**, **Octave Mandolin** and **Mandocello** are lower-voiced instruments. They are great option for people with larger hands. **We can teach you how to play one!**

Do you play Guitar? Guitar and mandolin are natural partners! Talk to our Music Director, Mr. Fletcher Powley, about possible openings within the Orchestra!

A Very Special Mandolin "Camp" 2013

Amateur mandolinists from around the world will be coming to Regina for the **Classical Mandolin Society of America** convention in September 2013. Attend workshops given by professionals, play in an amateur orchestra, or listen to public performances that will amaze you!

Join the fun!
